Where:

BOWMAN MUSIC
and CREATIVE OUTLET

Cost:

\$120/ BMACO student
\$130/ Non BMACO student
Plus \$20 registration for non-registered students

Calling new and experienced performers alike!

This is one of my favorite weeks of the summer!!
Perform from a range of traditional and contemporary musicals!

This week will develop the student's talents as individuals and also as members of an ensemble. They will learn and choreograph a group number and corresponding scene from a musical. There will be auditions for solos in the group number and the potential for additional duos and trios. We will explore how to create characters using physical & vocal techniques. We will also do basic set, prop and costume design.

We will do improvisations, run around outside, sing songs, act silly, act serious, and get in touch with our creative sides! So make sure to dress comfortable.

The showcase on Friday at 12:30pm will feature all of the fun & hard work! We will also perform again at an open mic this Summer!

Bring a snack and bottle of water.

**Call the office at:
859-586-2388 to register!**
