

August 3, 2025

Dear Parents and Students,

We pray that this year has showered you with many blessings. We hope that 2025 has been full of peace, joy and happiness. For those families that have struggled, please know that we are praying for comfort and healing.

We would like to sincerely thank all of you for continuing to support BMACO and for allowing us to teach music and the arts successfully in this community. Thank you for helping us to instill the value of art and creativity to the next generation and beyond. We promise to always do our very best to continue to serve you with quality lessons now and in the future.

Thank you so much for the many referrals and accolades which have helped us maintain a solid student base during these times when so many businesses are struggling to stay open. We are constantly humbled by your outpouring of dedication, love and support for our school and all the positive ratings on our social media. Our team at BMACO is constantly encouraged by the admiration you show us and the praises of our work. We feel very blessed to be able to instruct and mentor all of our students regardless of their skill level or natural giftedness.

Now that August had arrived, it is time once again for all students currently in lessons, to register for our next calendar year. Attached with this letter you will find our important paperwork that includes **New Registration forms, the 2025-2026 Master Calendar, Absent Slips, Policy Page and a Discontinuation Checklist Form.** (Please remember some teachers may have their own calendar with different days off)

**Students who started lessons before May, 2025** (those who started in April and before) are required to fill out the new form and return it by September 15, along with our Annual Fee of **\$15**. Please remember, the cost is \$15 per family not per student. If you have 3 students taking you will still only owe \$15 total. You may give this to your teacher or put in the dropbox at the Purple Studio. If you are not sure of your start date, please call the office. You may scan the registration form and send to [kathybowmanmusic@gmail.com](mailto:kathybowmanmusic@gmail.com) and then Venmo the \$15 fee @bmacopay-1234 instead if you prefer.

**VERY IMPORTANT FOR YOU FINANCIALLY!** Always make sure you stay up to date with payments and registration. This will ensure that **your rate forever remains the same.** That's right! As long as you do not stop lessons, your tuition rate will NEVER increase. Please note that rates may increase each September for all incoming new students. Some of you are still paying \$85-\$100 per month even though rates are now \$110-\$120. **Again, your rate will NEVER increase unless you discontinue and return later.**

BOWMAN MUSIC AND CREATIVE OUTLET has been serving the Burlington community teaching lessons for over 25 years. Many of you have had family members with us since the very beginning and we are ever devoted to your commitment to our school. We appreciate your continued prayers, references and positive comments. May God bless you all as we venture together through another year of creative arts. Thank you!

Sincerely,

*Kathy and Ron Bowman*
