

August 10, 2026

Dear Parents and Students,

We pray that this year has brought you many blessings. We hope that 2026 has been filled with peace, joy, and happiness. For those families who may have experienced struggles or difficult circumstances, please know that you are in our thoughts and prayers, and we pray for comfort, healing, and strength.

We sincerely thank each of you for your continued support of **Bowman Music and Creative Outlet (BMACO)** and allowing us the privilege of teaching music and the creative arts in our community. Your support enables us to continue instilling a love and appreciation for art, music, creativity, and self-expression in the next generation and beyond.

We promise to always do our very best to serve you and your families with quality instruction, encouragement, and care for many years to come and we are especially grateful for the many referrals, recommendations, kind words, and positive reviews you have given us. Your support has helped us maintain a strong student community during a time when so many small businesses are facing challenges. We are continually humbled by the love, dedication, and encouragement you show toward our school and our teachers. Your positive comments and social media reviews mean more to us than you may realize.

Our entire BMACO team feels truly blessed to have the opportunity to instruct and mentor each of our students, regardless of their current skill level, experience, or natural ability. We believe every student has something special to offer, and we are honored to be part of their creative journey.

2026–2027 Registration

Now that August has arrived, it is once again time for all students who are currently taking lessons to register for the upcoming calendar year.

Please visit bowmanmusicandcreativeoutlet.com or use the **QR code below** to access the following important documents:

- New Registration Form
- 2026–2027 Master Calendar
- Absent Slips
- Policy Page
- Discontinuation Checklist Form

Please note: Some teachers may have individual calendars with different days off, so be sure to check with your teacher regarding their specific schedule.

Registration Deadline & Annual Fee

Students who **began lessons in April 2026 or earlier** are required to complete the new registration form and return it **by September 15, 2026**, along with the **\$15 annual registration fee**.

The \$15 fee is per family—not per student.

Whether you have 1, 2, 3, 4, or more students taking lessons, your family will pay only **\$15 total**.

You may give the registration fee and/or paperwork directly to your teacher or place it in the drop box at the Purple Studio. If you are unsure of your original lesson start date, please contact the office and we will be happy to help.

You may also scan your completed registration form and email it to kathybowmanmusic@gmail.com.

IMPORTANT: Protect Your Current Tuition Rate!

We want to emphasize something that could be very important to you financially:

As long as you remain continuously enrolled and keep your account and registration current, your current tuition rate will NEVER increase. That's right! Your rate is grandfathered in as long as you do not discontinue lessons and later return. Some of our longtime families are still paying \$85–\$100 per month, even though our current rates for new students are now \$120–\$130 per month. This is one of the benefits we are proud to offer our loyal, continuing families.

Please remember that **tuition rates may increase each September for incoming and newly enrolled students.** However, your current rate will remain the same as long as you continue your lessons without discontinuing. So, please make sure you stay current with both **payments and registration** so you can continue to enjoy your grandfathered tuition rate.

Thank You for 26+ Years of Support!

Bowman Music and Creative Outlet has proudly served the Burlington community for more than 26 years. Many of you have been part of our BMACO family since the very beginning, and we are incredibly grateful for the trust and commitment you have shown our school over the years. In some cases, we have had the privilege of teaching multiple generations within the same family—and that is a blessing we never take for granted.

Thank you for your continued prayers, referrals, encouragement, positive reviews, and unwavering support. Most of all, to the parents, thank you for allowing us to be a part of your children's lives and creative development. To our adult students, we thank you for choosing BMACO for your musical journey, whether you are pursuing music as a hobby, a passion, or a serious endeavor.

May God bless you and your families as we begin another wonderful year together filled with **music, creativity,, and the arts.**

With heartfelt appreciation,

Ron and Kathy Bowman
